

The Bud E. Luv Orchestra

Bud E. Luv does lounge with a capital L. He packed 'em in in Las Vegas when it was a sandy wasteland. He'll rip through "Mac The Knife," belt out "It's Not Unusual," and croon "Danke Schoen."

Armed with a full band, Bud E. Luv fronts the Bud E. Luv Orchestra, which is great to pack your dance floor. Mr. Bud E. Luv, will have you dancing on the tables and laughing in the aisles.
