Casino Royale

Casino Royale triumphantly marches into the new millennium heralding the return of the most colorful, hip, ridiculous and most musical era of pop music. Hippie chic and gogo fashion such as the miniskirt and boots, velvet suits, flowers and beads; spy culture mystique with daring, dashing men and sexy secret agent babes; and the suave, swingin' cocktail nation are all represented in Casino Royale's songs, dances, fashion and style. The Frug, the Watusi, the Monkey, the Twist, the Bugaloo, and the Samba are active dances reflecting the energy and restless enthusiasm of today's jet-setting adults where anyone can get up, shake their tailfeather, and instantly become the grooviest cat on the floor. Bacharach classics and period-defining tunes set the tone for a happening like no other. Casino Royale pride themselves on making every show special with the ability to design any event around a variety of super successful themes, such as James Bond Parties, 60s Dance Parties, Cocktail or Lounge Shows, 60s Film Music, Austin Powers Parties, GoGo Club Shindigs, Casino Nights, or Swanky All Burt Bacharach Shows. They've built an impressive and feverishly loyal fan base in clubs while also having great success at corporate events for Microsoft, Legacy Partners, BGP Special Events, Pillsbury Madison & Sutro Law Firm, The Red Tie Gala, Neiman Marcus, Genzyme, Niebaum Coppola Vineyards, the Oakland A's, KFRC
