

## Double Funk Crunch

Double Funk Crunch is a high-spirited ten-piece group of funksters recovering the lost art of a live funk band. With their authentic reproductions of popular 70's, 80's and popular tunes of today, the band provides a full evening of fun. If you are looking for an act that covers the range from the best Classic Soul, R & B, disco numbers and unadulterated bumping old school funk combined with today's popular hits, then Double Funk Crunch is the band for you. Their lively sets include audience participation, a live horn section and plenty of non-stop dance hits. DFC sells out clubs throughout the Northern California Bay Area and is always a favorite at corporate events and private parties.
