Gamelan Sekar Jaya

Gamelan Sekar Jaya is a fifty member ensemble of musicians and dancers, based in the San Francisco Bay Area, that specializes in the performing arts of Bali, Indonesia. It is recognized internationally as “the finest Balinese gamelan ensemble outside of Indonesia.” (Indonesia’s Tempo Magazine) A key element of GSJ’s unique success has been direct artistic interaction. More than thirty of Bali’s most renowned musicians, dancers and theater artists have joined GSJ for extended residencies over the past quarter century. Many are from ISI Denpasar (Bali’s National Academy of the Arts, formerly known as STSI and ASTI) or from prominent performing ensembles and arts organizations throughout Bali.
