GREG SCHWEM

Whether it's a sales meeting, an awards dinner or simply an event that needs some laughter, **Greg Schwem** is ready to bring his custom brand of CORPORATE COMEDY, EMCEE SKILLS or MOTIVATIONAL SPEAKING to your next event. Audiences coast to coast have laughed at "Comedy With a Byte," Greg's corporate comedy includes hilarious observations on technology and the business world. Full of clean, "business humor", Greg and Comedy With a Byte skewer technical support lines, monotonous business meetings, acronyms, "frequently" asked questions, e-commerce, cell phone addiction and that annoying guy in every office who always sends two word e-mails! Unlike many speakers, Greg researches every audience and customizes material so no two shows are alike. Combining inoffensive comedy with lightning fast ad-lib skills, Greg takes his audiences on hilarious tours through their work environments. Greg knows the best way to motivate is to laugh at life's everyday occurrences.
