HAUTE CHILE

WHAT'S HOT - HAUTE CHILE'S HOT!! With their spicy blend of the hits, past and present. They sing and perform the best of Motown, classic rock, jazz, the standards, disco, current hip-hop favorites, topped off with a taste of salsa. With highly energized choreography and a highly stylized look, this nine piece group offers not one or two, but four outstanding vocal talents. April Doyle and Sara LaPorte are quite possibly two of California's finest, having made names for themselves as the dynamic leads for many popular local bands as well as abroad. In the spotlight and shining brightly is Mark Jones, the band's 'haute'; hot lead singer and bassist. Already well known in Los Angeles, Mark's on stage performance is nothing short of stellar. Rounding out the front line is Reggie Ashley, with his powerful rock and roll stylings on guitar and vocals. Top it all off with Haute Chile's sizzling horn section and you've got the ultimate CONTINENTAL FIESTA.
