## LAURENT FOURGO & HIS ENSEMBLE

Laurent Fourgo's repertoire is musically diverse. In addition to performing many American Jazz Standards, they also perform French & Italian favorites that have been popularized by Frank Sinatra, Michael Bublé, Bobby Darin, Tony Bennett, Diana Krall, and Dean Martin among others. This is an especially flexible and elegant configuration that features 2-6 musicians, and may be performed with or without vocals. Size of the band, music style and attire can be customized to fit your budget and party theme.
