

LITTLE SISTER

Time goes by quickly when you're having fun. Since its inception, Little Sister has performed over 1000 engagements - Nightclubs, festivals, weddings, blues bars, barbeques, black ties, birthdays, casinos, corporate events and county fairs- you name it, Little Sister has always brought rhythm and motion to the celebration. Little Sister is best described as a high energy variety dance band. The group of seven members features two of the Bay Area's premier male and female up-front vocalists. Backed by an all-star rhythm section, they deliver the goods vocally, musically and visually. The live show is warm and friendly, with an emphasis on making guests feel comfortable and part of the festivities. Over the years, Little Sister has amassed an extensive repertoire of classic dance tunes. Covering popular material from the '40s through the '90s, the songs are guaranteed to pack the dance floor. Many will be familiar, while some are overlooked gems. Versatility being the key, Little Sister skillfully performs many styles, including soul, swing, R&B, Motown, rock, disco, funk, and standards. Material and presentation are always tailored to each individual event.
