Maggie Speaks

Chicago's Maggie Speaks has been changing what people think of cover bands since 1997. Drawing off a huge range of music, Maggie Speaks cranks out an incredible non-stop high-energy show that leaves people breathless. You'll know every song, but you won't believe how this band delivers them one after another. Think of it as your favorite mix come to life. Maggie's ever-changing show will show you what cover bands should be. If you're looking for energetic, absolutely dynamic music—music that will set your event apart from all others—Maggie Speaks is your band.
