

The Murasaki Ensemble

Murasaki Ensemble

Blending old with new and East with West, the Ensemble strive to present a new listening experience -- exploring traditions of the past with an ear towards the possibilities of the future ... Based in the San Francisco Bay Area, The Murasaki Ensemble blend acoustic instruments from around the globe to create a musical experience unlike any other -- elements of traditional Japanese music, Near Eastern rhythms and improvisational jazz converge, producing a sound that is extremely vibrant and innovative yet still manages to sound familiar.
