- “Thank you so much for coordinating such perfect music for our wedding! The String Quartet was so wonderful, and the music so beautiful and elegant. It truly was the perfect touch to an already wonderful day.”
~ C.C. & David, Oakland
- “I am always excited to refer the Nob Hill String Quartet. You and your troupe are top notch professionals. Your look is classic and your music like a dream to every wedding you play. But the best reason I like working with you is: I can rest assured, knowing your groups will always be on time—and never out of tune!”
~ Teri Menchini, La Bocca Fina, Hayward
- “I have always found the Nob Hill String Quartet and Salon Orchestra to be truly enchanting musically, extremely polished and professional, a joy to work with. “
