

PADDY MORRISSEY

"Most impressive was his ability to so quickly assimilate the culture of our unique environment. He made us laugh at ourselves, from the sales personnel to the President himself."

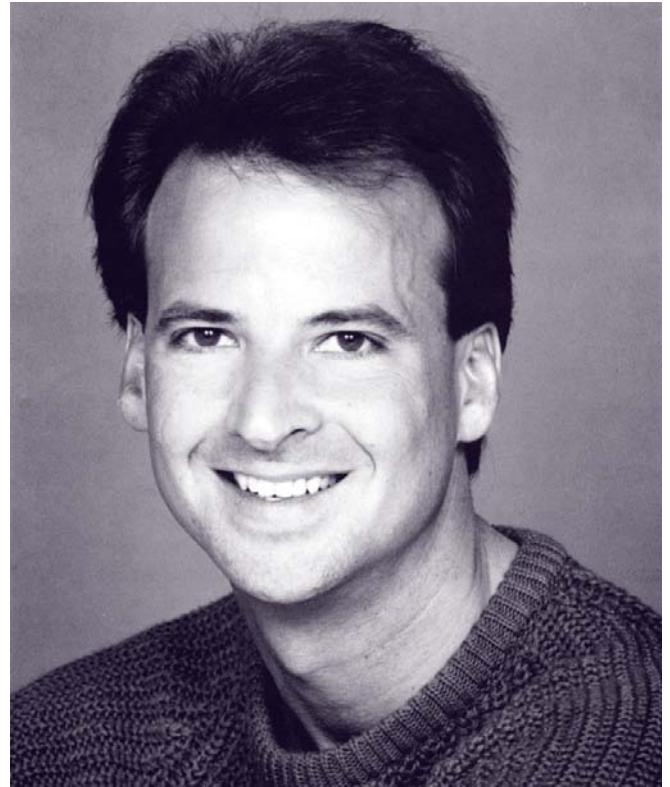

Metaphor Computer

"His stage presence is engaging and likable. Incredibly he took ten suggestions from the audience and put together a Shakespearean scene complete with rhyming couplets. How did he do it?"

Oakland Tribune

"You made our managers kick off a tremendous success! The ease you displayed in integrating the buzz words and names of personnel in your comedy was a work of true professionalism and delight."

Pacific Bell

Paddy Morrissey

Paddy Morrissey is more than just a stand up comedian. Utilizing improvisation and an array of foreign and domestic characters, Paddy Morrissey's comedy is distinctly original and his extraordinary ability to perform as a "guest speaker" has been widely praised. Additionally, "Motivational Speaker", "Sales Expert", "Marketing Consultant" and "State Senator" are just a few of the characters in his amusing comic repertoire. Using the specifics of your organization (it's buzzwords and prominent people) he creates an original speech with hilarious results. Afterwards, he performs his comedy and improvisation routine to round out an extremely funny and original performance.
