

Spirit of Polynesia performs at over 150 engagements per year both large and small. They travel outside the country, performing on tours and cruises several times a year.

We have received numerous awards for our performing efforts and won three Art Grants from the California Arts Council to further our goal of preserving, perpetuating, and performing Polynesian Pacific music, drum, and dance traditions.

Spirit of Polynesia

Spirit of Polynesia offers the very best in Polynesian Dance Shows. Our dancers, musicians, and drummers are the most versatile and the professional offering you a wide variety of dances in an energetic pace. Performances are to live music and drumming and our costumes are authentically traditional and colorful. Some headdresses stand up to three-and-a-half feet high. Our musicians play a wide assortment of Polynesian instruments such as conch shells, Tahitian and Tonga drums, nose flutes, Hawaiian implements, ukuleles, Samoan punu (cracker can) and others. Our drummers, too, are leaders in Polynesian drumming, especially in the difficult and intense Tahitian style, having won eight first places prizes in drumming competitions all around California since 1983. Our shows comprise up to 30 performers and can be adapted to your event needs.
