Synergy

Synergy

For the entertainment buyer who wants a world-class party band fronted by some of today's best vocalists, Synergy is a top pick. Synergy is a high-energy show band created by musical director Dick Whitbeck. Dick has perfected his versatility through many years of hard work as a producer, composer, arranger, conductor, and trumpet player on the Twin Cities music scene. This twelve piece band can be shaped into a smaller complement when budget or space limitations are of concern. Synergy has gained prestige and a loyal following much as Mr. Whitbeck's former creation, Rupert's Orchestra had in the 1980's. He has kept the most charismatic performers and arrangements from the Rupert's heyday and has shaped the group and its repertoire to provide the ultimate party band for special events. Whether you are planning a wedding or a corporate event, Mr. Whitbeck will design the content, flow and momentum of the entertainment to elevate your event to its greatest potential.
