The Amazing Chinese Acrobats

Ancient skills meet modern day technology in this updated version of the Eastern Arts. Masters of their craft will thrill you with death-defying acts and graceful skills as this overwhelming spectacle erupts on stage. You will not believe your eyes as The Amazing Chinese Acrobats take you on the adrenaline rush of a lifetime.

- Chair Stack—Acrobat performs a series of amazing balancing acts on the top of up to 8 chairs.
- Foot Juggling—Acrobat juggles items such as handkerchiefs, umbrellas, balls, blankets or vases on the tips of her toes.
- Plate Spinning—Acrobat spins plates on the tips of thin sticks while performing artistic dance steps and some acrobatic maneuvers.
- Lion Dance—Traditional Chinese Festival Lion Dance usually performed by a team of lion puppeteers. The dance can consist of one or two lions. Each lion is performed by two acrobats with martial arts training and includes dazzling moves, mimicking a lion chasing away demons.
- Contortionist—Acrobat performs on a table or platform and balances different articles while contorting into unbelievable positions.
- Hoop Diving—Acrobats perform impressive feats of tumbling through hoops that when stacked can be over 7 feet tall.
- Diablo—Acrobats spin hourglass shaped yo-yo's on a string and launch them several feet into the air while performing acrobatic moves before catching the yo-yo's on the rope once again
- Human Pyramid—Several acrobats join together to perform feats of strength and balance.
- Bicycle—One acrobat peddles a bicycle while several others take turns climbing on top until all are riding on the same bicycle at the same time.
- Dragon—Traditional Chinese Dragon Dance. Requires several acrobats to operate the dragons' movements through the audience and onto the stage.
