*The Ultimate New Wave 80's Show*

## The Spazmatics

If you want to be sent back to the 80's, **The Spazmatics** are the ultimate experience. The band lends it's geeky charm to performing 80's hits complete with "nerdography" and "spastic" movements. They add a unique dimension to their performance, demonstrating the common ties between 80's new wave and today's popular music. The spazmatics have been regularly featured at top nightclubs and perform for many of the highest level private events in the U.S. When you choose **The Spazmatics**, you set the stage for one of the most memorable events your guests will ever attend.
