

Unplugged

Imagine walking into an event and hearing your favorite songs by the Beatles, Van Morrison and Rolling Stones. You notice the incredible musicianship, the fascinating arrangements and unmistakable clarity of sound. However, the songs are all background music that is soothing to listen to. You have just experienced Unplugged.

Unplugged is an acoustic quartet consisting of 2 guitars, bass and percussion. They play all the hits of the classic rock era, from Led Zeppelin to Crosby, Stills and Nash to Jimi Hendrix. Perfect for background music or featured entertainment, Unplugged is worlds apart from any other band!
